Members who've been in SLAA for a while start to notice subtle changes in their attitudes and behavior. They find that their relationship status isn't as important now as is the relationship they are forming with God, themselves and with others. A whole new world of possibilities had opened up to them especially in the way they looked at themselves. This new way of 'being' is expressed in the SLAA 'Signs of Recovery.' This workshop will focus on three of the 'Signs of Recovery.' It will feature speakers as well as small group sharing. May is Gratitude Month

Contributions from Members are an integral part of keeping Fellowship-Wide Services working to help carry the message. 7th Tradition states: "Every S.L.A.A. group ought to be fully self-supporting, declining outside contributions."

A helpful way to do this is to pass an extra basket for Fellowship Wide Services during the month of May and contribute that to FWS at the end of the month.
