

# Conference Literature Committee

---

The Conference Literature Committee continues to hold a monthly teleconference to discuss the fellowship-wide efforts to create new S.L.A.A literature. The mission statement of the CLC is:

The Conference Literature Committee (including its subcommittees, writing groups, and partner service bodies) encourages and participates in the planning, writing, editing, and approval of S.L.A.A. literature.

In addition to the regular monthly teleconference, the CLC has a Writing Group Liaisons Subcommittee teleconference in which chairs and contacts for the various writing groups report their status. A separate teleconference was created to report status because the regular CLC conference call was getting too long.

The CLC is in process of creating a 12 Steps & 12 Traditions Book for S.L.A.A. Writing groups for this book use shares from S.L.A.A. members to create individual chapters about each Step and Tradition. There are currently writing groups for Steps 1-5 and 11 and Traditions 7, 8 and 12. Chapters on Steps 1, 2, 4, and 11 have been completed and are awaiting feedback. Anyone who wishes to form or join a writing group can contact the CLC at [literature@slaafws.org](mailto:literature@slaafws.org). Members may still submit shares on Steps or Traditions at <http://www.slaafws.org/submit1212>.

Recently, the CLC has started a book project for Recovery Stories. We already have two stories and other members have agreed to submit their recovery stories for the book. Anyone who wishes to share their story of recovery from sex and love addiction can contact the Conference Literature Committee at [literature@slaafws.org](mailto:literature@slaafws.org).

The Conference Literature Committee also has need of people to help as assistant writers. An assistant writer can help clarify drafts from a non-native English speaker, help an English speaker with poor vocabulary and grammar, or help bring a draft up to concise, clear, standard English.

There are several other literature projects in various stages of development. Anyone who would like to form or join a writing group for S.L.A.A. literature or suggest a piece of literature can contact the CLC at [literature@slaafws.org](mailto:literature@slaafws.org).

Anyone who wishes to help the Conference Literature Committee with any of these points can contact the CLC via email at [literature@slaafws.org](mailto:literature@slaafws.org).

Grateful to be of Service,

David B, CLC Chair
