**MISSION STATEMENT**

*SLAA H & I – Los Angeles has been formed as a spiritual interest group that allows SLAA members, who feel so inclined, to practice the Twelfth Step and Fifth Tradition by offering support to fellow sufferers of our disease. As a Committee, it is our goal to carry the message to sex and love addicts who are recovering from substance abuse, as well as incarcerated sex and love addicts, with the hopes and prayers that our message of recovery will make a difference in their lives.*
