Still in stasis as to how to proceed. Leaning towards phone meetings that will be more geared towards sponsorship, but still up in the air as a result of some legal concerns at the FWS level. IG reps hold off on making announcements for participation on this committee until things start moving forward.

The aim is to bring sponsorship to meetings and people around the world. The committee is working to come up with new model. The objective is for FWS not to be held responsible for liability of sponsee/sponsor relationships.

Genn F voted to remain conduit. 29 votes for, 0 against

FWS ABM Delegates Announcement (Suzanne)

Moved ABM in Framingham to a week earlier, last week of July instead of last week in August. Just approved the budget which was downsized because of Intergroup donations being down and ABM expenses.

Translation committee: please ask in meetings if there is anyone who is willing to work on the Spanish language version of the SLAA Basic Text.

Healthy Relationships document is looking much bigger, several pamphlets, trying to figure out what to include. For now including everything and will pare down later.
