

A SAFE PLACE TO DISCUSS THE “S” IN “SLAA”

Come support this new meeting!

We've created this meeting to allow everyone a safe place to find hope and recovery surrounding sex addiction. After a lot of discussion with fellows, there seems to be a trend that many of us feel it difficult to share about the sexual side of sex & love addiction.

With this in mind, this new meeting was created to be a safe place to discuss sex addiction specifically. ***This is a coed meeting.***

First Meeting Jan 4th, 2018!

FOCUS ON SEX ADDICTION

**THURSDAY 8P-9P @ THE
FARMERS' MARKET**
