The first three steps are the threshold to recovery from sex and love addiction and this workshop will provide a discussion of the fundamental principles of those steps. We will focus on the concepts of powerlessness, bottom lines, finding a power greater than ourselves and what it means to turn our wills and lives over to that power, within the context of SLAA recovery. This workshop is meant for newcomers and anyone needing a refresher in the fundamentals of SLAA recovery.

It will include speakers, readings and discussion.

Please bring your own water and snacks. We will take a lunch break from 11:45 to 1:00 pm. There are many easily accessible local restaurants and stores.

Please email the event coordinator Rachel at [slaarachel@gmail.com](mailto:slaarachel@gmail.com) with any questions.
