

These bullet points were written up by the secretary after the meeting - If you think the bullet points should be compiled by the record keeper, or it should be a separate commitment, send in a motion to be voted on!

- The SLAA ABM (Annual Business Meeting) is taking place August 9th in Sacramento and a bunch of things will be voted on for the entire fellowship including approving new literature like the new 12x12x12 called The Framework for Living, as well as a Plain Language 12 Steps, and a new edition of our basic text, among other things.
- We elected two new Alternate ABM Delegates this month, Julie and Lenore. If any of our 4 main delegates from LA can't make it, Robin, Rachel, Jayk, Gil, then the Alternate Delegates will go in their place.
- The ABM Delegates are having a Zoom Town Hall on June 26 where members of the fellowship can make their opinions known about how they want the delegates to vote on various issues facing the fellowship at the ABM. More details to come next month!
- We are looking for an Assistant Treasurer for LA Intergroup. Needs to have 6 months sobriety and be able to attend in-person Intergroup to help the treasurer count money and do other tasks. It's a year and a half commitment. If anyone is interested, come to the next Intergroup meeting June 12th and get elected.
- Next month we are voting on a motion to bypass the 7th tradition in order to get outside contributions to support American Sign Language access for SLAA Los Angeles through applying for grants etc. Come make your opinion known on this issue June 12.
- At the June 12th Intergroup we will have PIZZA! (Paid for by Jayk)
- You can only pick up the Bottom Lines in-person at In-Person Intergroup. The Bottom Lines person prints 10 copies for every meeting in LA, so come to Intergroup to get the copies for your group. It's full of cool word searches, comics and, of course, the meeting directory.
