Chairperson: SLAA Los Angeles IG Service Manual is in the IG google drive, and is a great resource to answer all questions about service at IG level, all the "hows" and "whys" of what happens at IG meetings. Additionally, the SLAA Fellowship Wide Services(FWS) Annual Business Meeting(ABM) is coming up in the first week of August. although the ABM will be virtual again this year, the members of the FWS Board of Trustees(BOT) will be visiting LA in the days before the ABM. Their message to LA IG is. "We wanted to let you know that most of the BOT members will be in LA for our annual face-to-face meeting on July 29-31. If any members of the LA IG would like to meet with the whole BOT (or any BOT members) we would like to make ourselves available (we have limited times available). We are also all planning to attend an S.L.A.A. recovery meeting on the beach on that Friday evening." If interested. show up to the Friday night meeting on the beach on 7/30 or just let me know and I will put you in touch with them.
